*First and second direct sell is called AB sell

Spill AB Income

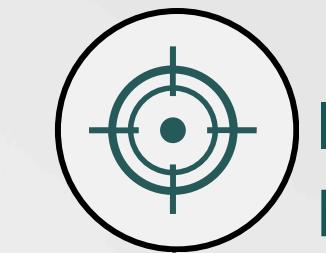

$$800 \times 4 = 3,200/-$$
$$800 \times 8 = 6,400/-$$

The company asks you to make only 2 direct sells for matching income, which are called your A and B sells. **From your third direct sponsor, you will get 16% spill AB income from their A and B sells** as per the chart below. Let us understand how much income you can earn through this medium.

SPILL AB INCOME - 16% ON P.V.

LEVEL	AB SALE	INCOME
1	$10 \times 2 = 20 \times 800$	16000/-
2	$20 \times 2 = 40 \times 800$	32000/-
3	$40 \times 2 = 80 \times 800$	64000/-
4	$80 \times 2 = 160 \times 800$	128000/-
5	$160 \times 2 = 320 \times 800$	256000/-
6	$320 \times 2 = 640 \times 800$	512000/-
7	$640 \times 2 = 1280 \times 800$	1024000/-
8	$1280 \times 2 = 2560 \times 800$	2048000/-
9	$2560 \times 2 = 5120 \times 800$	4096000/-
10	$5120 \times 2 = 10240 \times 800$	8192000/-
11	$10240 \times 2 = 20480 \times 800$	16384000/-
12	$20480 \times 2 = 40960 \times 800$	32768000/-
Total Income - 6.55Cr.		

If on average every person does business with 5000 pv, then let's see how much Spill AB income you can earn in 12 levels. We assume that you have made 12 direct sales, out of which you will get profit from the remaining 10 sales excluding your A and B sales. Spill AB income will come, and after that every member makes only 2 sales.
