

BIOALEXIS

AGRO DIVISION

BIOALEXIS : AGRO KIT

ORGANIC	INORGANIC
MADE FROM NATURAL SOURCE	MADE FROM CHEMICALS
SAFE TO USE	TOXIC AND HAZARDUS TO HEALTH
NO SIDE EFFECTS	SIDE EFFECTS
NO USE OF CHEMICAL PESTICIDES	USE OF CHEMICAL PESTICIDES
USE OF BIO FERTILIZERS	USE OF CHEMICAL FERTILIZERS

BIOALEXIS : AGRO KIT

- ▶ PGR : Natural material which Increase or boost growth of pant as well as increase crop yield call as PGR
- ▶ Next Generation PGR : These are organic material which boost , promote growth ,Immunity ,Shine ,Size , yield of Crop by action of nanomaterial's.

BIO CARRIER : NANO TABLET

BIO CARRIER

Nano Tablet

Not for Human Consumption.
This Product is only for non
portable water treatment &
does not act as Biostimulant,
Antimicrobial.

Patent App. No.
202121004763

30
Tablet

BIO CARRIER : NANO TABLET

PATENTED FORMULATION IN AGRICULTURE :

Bioalexis having its own research and patented formulation based on TDDS (Targeted Drug Delivery System by use of Nano Technology.

PATENT APPLICATION NO : 202121004763

- ▶ Entire Project is on Israel Technology like as NONO ROBOTICS
- ▶ NANO Partials SIZE consider as 10 LAC PART OF HAIR TIP
- ▶ Silver , Zinc and Other Nano Composites

BIO CARRIER : NANO TABLET

ADVANTAGES :

1. Transport all PDR, Insecticides, Pesticides, NPK to Target site call as TDDS (Targeted Drug Delivery System)
2. Improve effects of all Agriculture Iputes
3. Nano composites act as Anti-Microbial Agent
4. Compatible with all kind of Activator , Stickers, Penetrator , Activator .

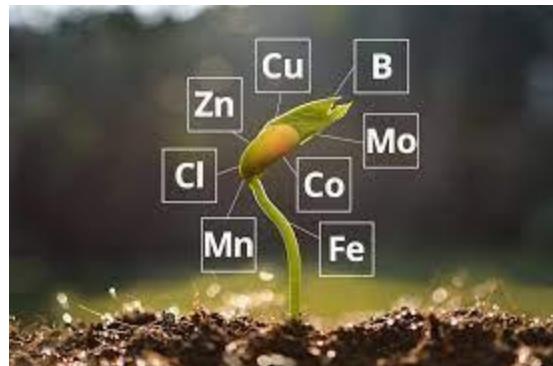

BIO CARRIER : NANO TABLET

USE OF DIRECTION AND DOSE :

Add 2 Bio Carrier nano Tablets in 15 lit of Pump or 30 Tablets in 150 lit to 200 lit of water

BIO CARRIER : NANO TABLET

Improve Effects of :

MICRONUTRIENTS

NPK

BIOSTIMULANTS

INSECTICIDES , PESTICIDES , FUNGISIDES ETC

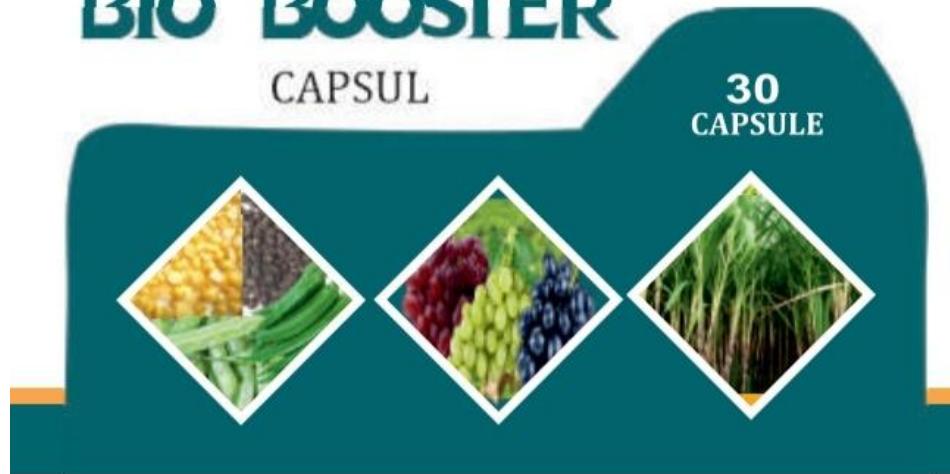

BIO BOOSTER : NANO CAPSULES

BIO BOOSTER

CAPSUL

30
CAPSULE

BIO BOOSTER CAPSULES

Ingredients:

1. Nano Sea Weed Extract
2. Nano Amino Acid 96%
3. Nano Silica
4. Nano Calcium
5. Micro Nureshing Partials
6. Nano K.Hummate

BIO BOOSTER CAPSULES

► Advantages

1. Boost Seed Germination Rate
2. Boost Rooting, Shoot and leaf Generation
3. Improve Nutrient Uptake and Photosynthesis
4. Boost plant Immunity
5. Boost Nutrition in Soil and wash out hazardous material from soil
6. Protect Plant from Natural Calamities
7. Improve Beneficial micro-organism in Soil
8. Improve Texture and Size Of Crops
9. Improve Flowering and Crop Yield
10. Improve Yield of Crop
11. Improve Flowering and Maintain Structure

Application With Bio Booster : Seed Treatment 1 Capsule in 10 lit Water

Spray : 30 Cpsules 200 ml Water

Drench : 30 Cpsules 200 ml Water

2 Spay In Life Cycle after 15 Days

BIO BOOSTER CAPSULES

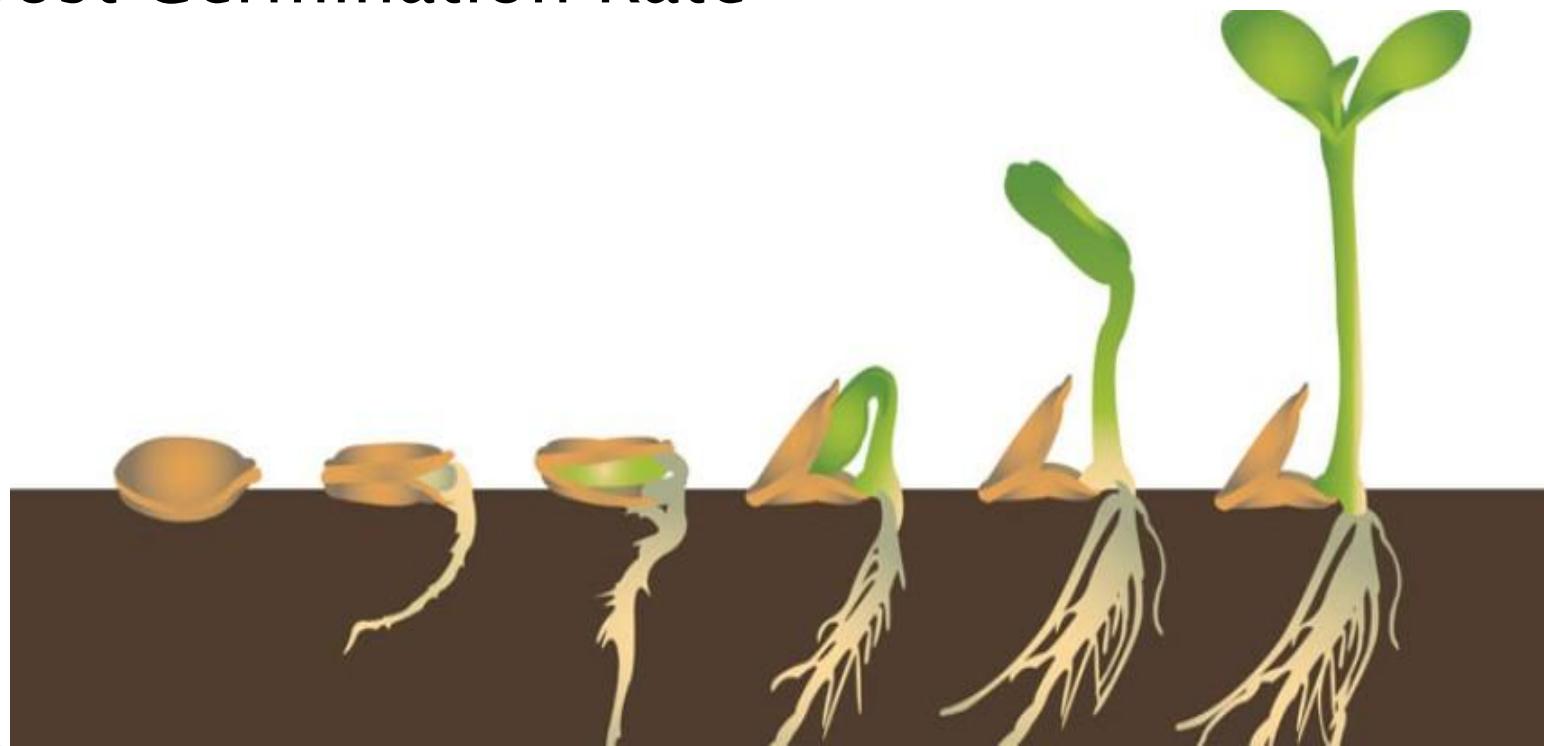

► Advantages

1. Boost Primary , Secondary, Tertiary Rooting,
2. Boost Shoot and leaf Generation
3. Improve Size of Leaf and improve Photosynthesis
4. Provide Micronutrients to Plant
5. Improve Uptake of Nutrients from Soil
6. Improve Yield of Crop
7. Improve Flowering and Maintain Structure

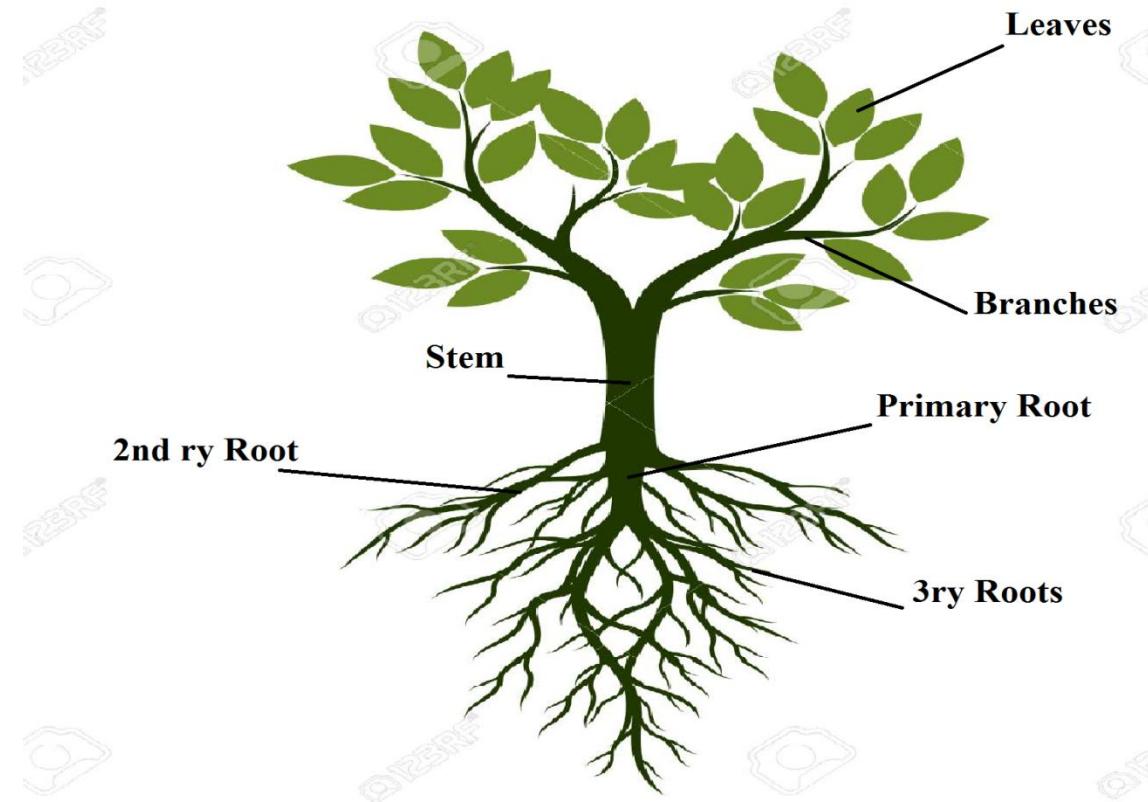

Application With Bio Booster : Seed Treatment 1 Capsule in 15 lit Water

USES OF BIOALEXIS AGRO KIT

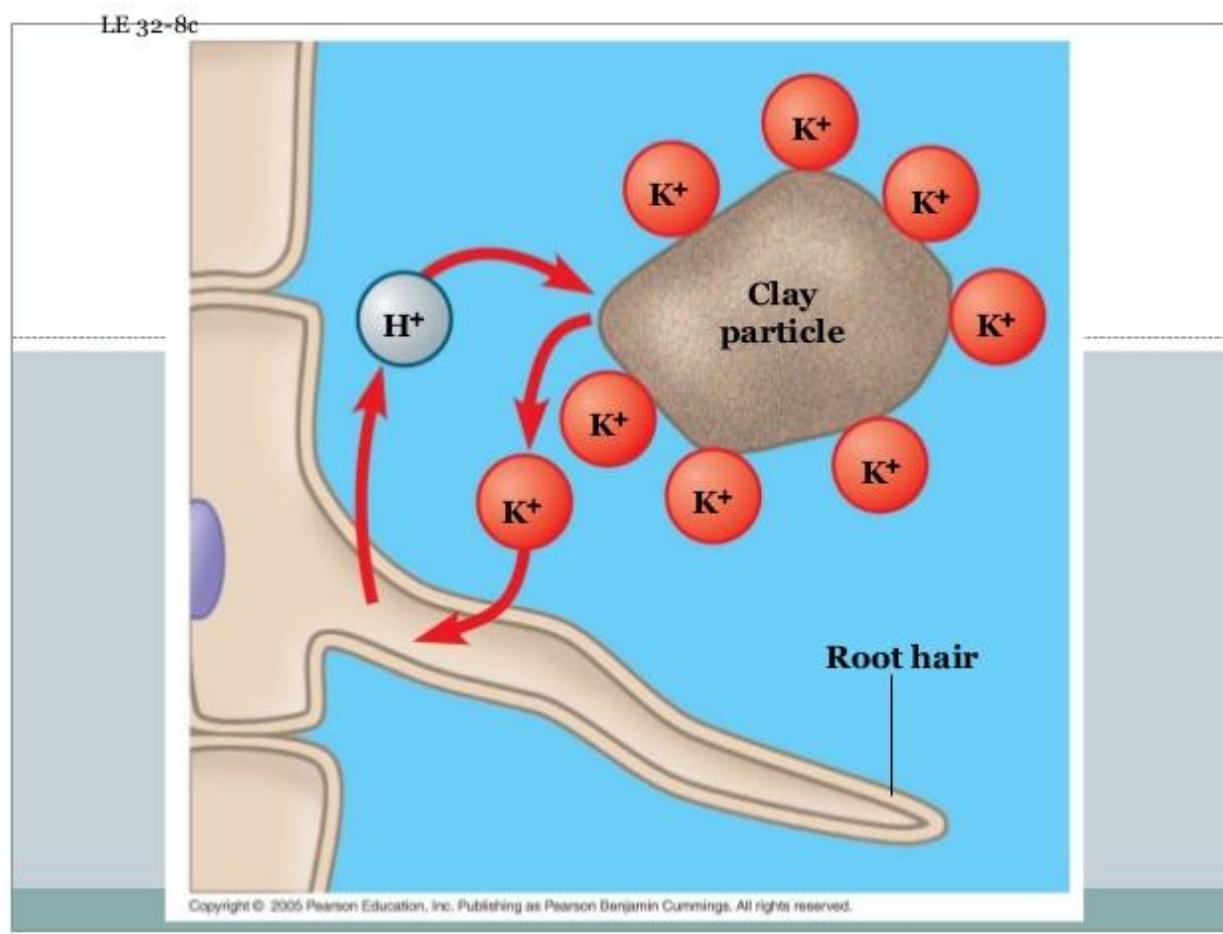

- ▶ Boost Germination Rate

Root, Leaves, Branches Development

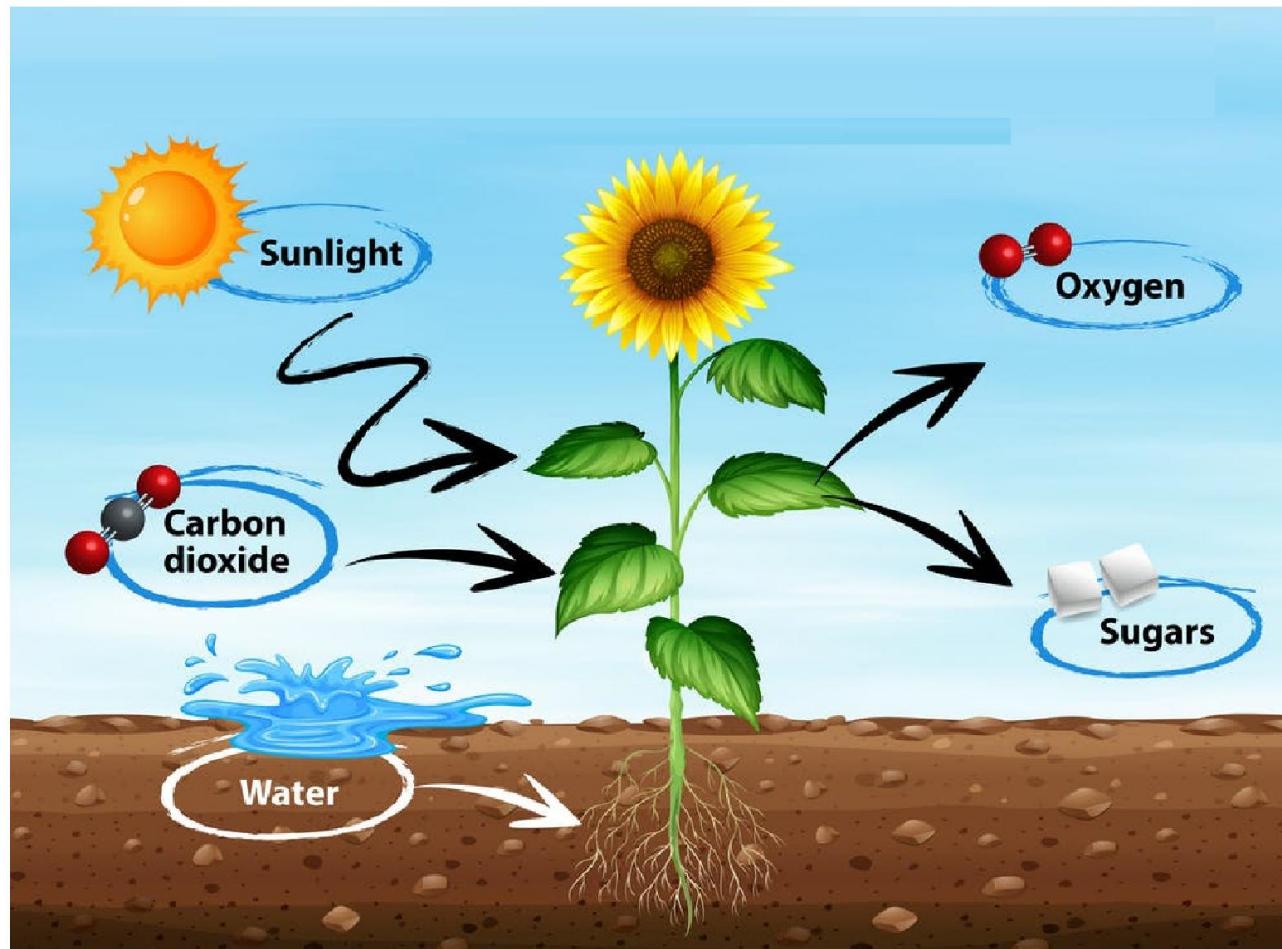

Improve Nutrient Uptake

Improve Photosynthesis

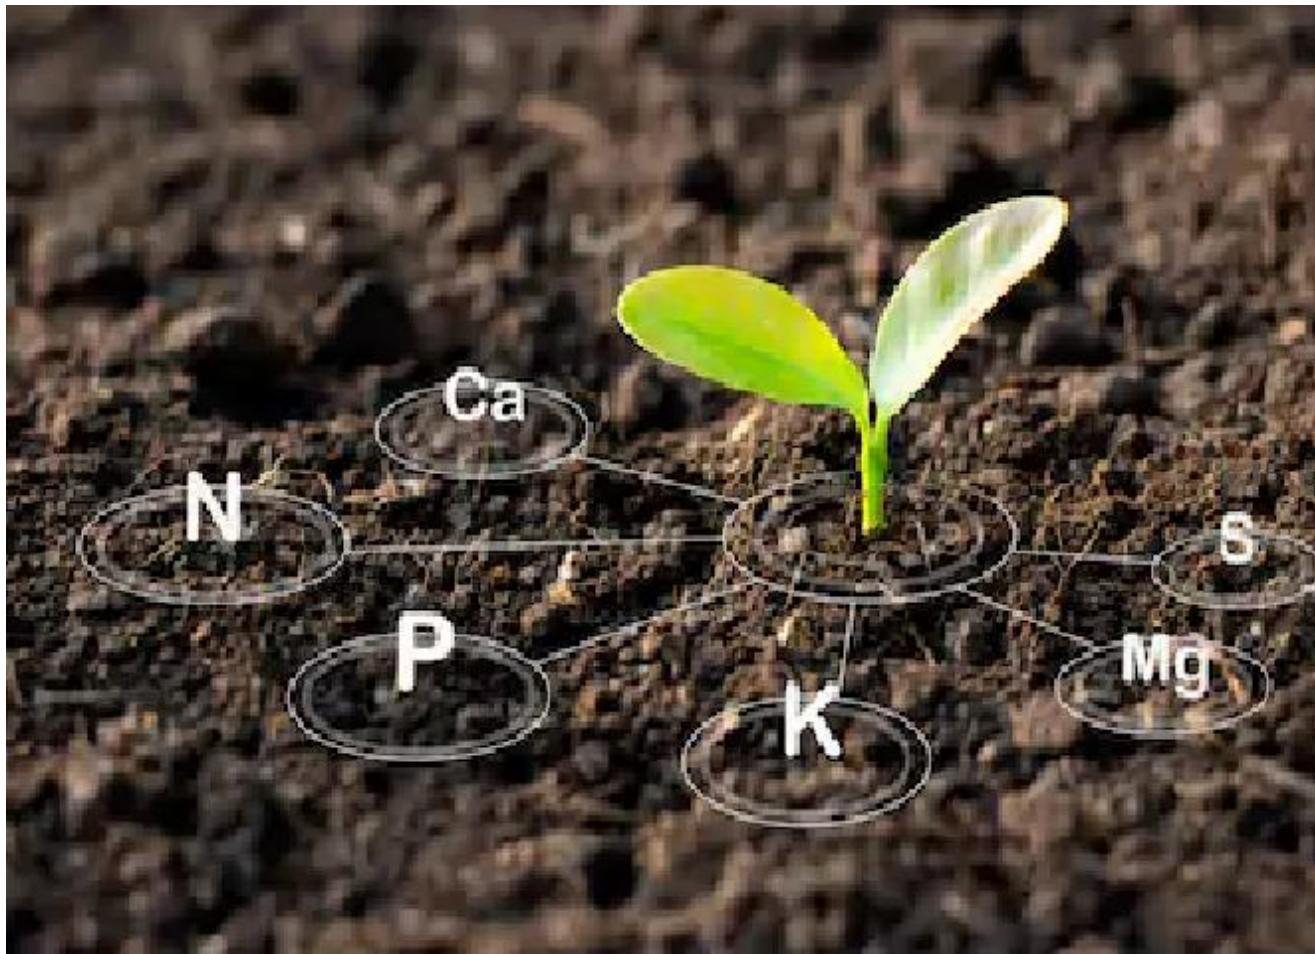

Boost Plant Immunity

Boost Nutrition in Soil

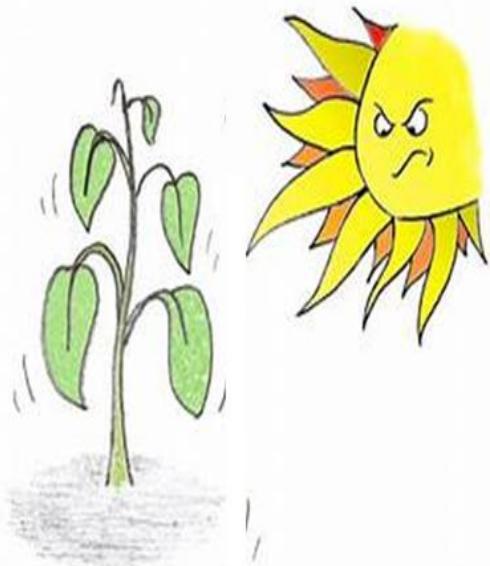

Maintain PH of Soil

Protect Plant From Natural Calamities

Dry Season

Heavy Rainfall

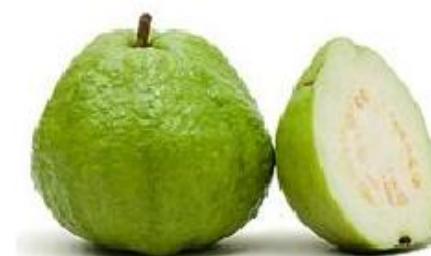

Fog

Improve Beneficial micro-organism in Soil

Improve Texture and Size Of Crops

Improve Texture and Size Of Vegetables

Improve Size and Height Of Crop

Improve Yield of Crop

Improve Quality of Fruits

Improve Flowering and Prevent Flower Dropping

Improve Yield of Cotton

Help To Prevent

Bacteria

Fungus

Insects

Help To Prevent

We are Committed for :

- ▶ For Better Results
- ▶ For Higher Yield Crop
- ▶ For High Quality Crop
